| 1.  | C/OPS/PSI | 30 MAR 1981 | 30 MAR 1981 | Serve | <p>This office has no problems with the particular sections under review. Our difficulties with Executive Order 12036 all fall within the general areas of collection, storage, and dissemination of information, activities covered by Section 2--Restrictions on Intelligence Activities. Even these problems are not so much with the executive order itself as with the implementing procedures which have been formulated to carry out its provisions.</p> |
